THE FOUR RIVERS AREA

## TZ PODRUČJA 4 RIJEKE HR

Turistička zajednica područja Četiri rijeke sastavljena je od Grada Duge Rese, te Općina Barilović, Bosiljevo, Generalski Stol, te Netretić. Nastali smo zajedničkom vizijom, misijom i ciljem lokalnih čelnika sa željom da područje koje se nalazi pod nama postane prepoznatljivo na turističkom tržištu, s vremenom i među vodećim destinacijama kontinentalnog turizma, te stalnom težnjom ka nečemu više. TZ ime je dobila iz razloga što smo zaista situirani na području između četiri rijeke, i to redom – Korane u Općini Barilović, Mrežnice na području grada Duge Rese i općine Generalski Stol, Dobre na području općina Generalski Stol i Netretić, te Kupe na području općine Bosiljevo te općine Netretić.

## TOURIST BOARD OF THE FOUR RIVERS EN

The tourist board of the Four Rivers area encompasses the town of Duga Resa and the Barilović, Bosiljevo, Generalski Stol and Netretić municipalities. It was formed thanks to the joint vision, mission and objectives of local government leaders, who wish to make the area recognizable on the tourism market, and in time turn it into one of the leading destinations for continental tourism, while permanently striving for something more. The tourist board was named after the fact that we are truly located in an area criss-crossed by four rivers – Korana in the Barilović municipality, Mrežnica in the town of Duga Resa and the Generalski Stol municipality, Dobra in the Generalski Stol and Netretić municipalities, and Kupa in the Bosiljevo and Netretić municipalities.

## RAFTING I KAJAKING NA RIJECI MREŽNICI HR

Mrežnica rafting izlet pogodan je za obitelji s djecom ili ekscurzije. Mrežnica je bistra i topla rijeka, idealna za svladavanje slapova. Rijeka Mrežnica, jedna od najljepših u Hrvatskoj. Idealna za plovību kanuom, odlična za rafting i za kajak – a najbolje je da se okušate u sva tri plovila i da odlučite koje vam najviše odgovara. Na Mrežnici možete uživati u putovanjima od jednog do pet dana. Najčešće se plovi između Generalskog Stola i Zvečaja, na rubu divljine i civilizacije: kreće se od mosta u Keićima kod Generalskog Stola, a završava pri restoranu Zeleni Kut. Kupanje i svladavanje slapova sastavni su dio izleta.

Ljubitelji ove igre sve više otkrivaju prednosti paintballa na obroncima u mjestu Mrežnički Novaki s pogledom na rijeku Mrežnicu..
